HISTORY:

Lifeworks was founded in 1954 by a group of parents advocating for their children with developmental disabilities.

GUIDING PRINCIPLES:

- Build collaborative partnerships with families, friends, and communities.
- Ensure a continuum of person-centered supports and choices.
- Advocate for the protection of human and civil rights.
- Develop and retain exceptional, supportive staff.
- Provide visionary leadership that is actively engaged in defining future standards of supports.
- Sustain sound stewardship to advance mission, financial, and organizational integrity.

Lifeworks is an affiliated chapter of The Arc. Alongside our chapter partners, and Arc Massachusetts, we continue to advocate with persons with disabilities and their families. We currently provide services and supports to more than 2,300 individuals.

CAREERS AT LIFEWORKS:

Lifeworks employs 450 professionals dedicated to advocacy within several rewarding human service areas. If you are interested in joining our team, email careers@lifeworksarc.org.

GET INVOLVED:

Lifeworks provides virtual tours, volunteer opportunities and ways to give directly to our programs. For more information email us at info@lifeworksarc.org.
