Your Gift Helps Lifeworks Thrive — and So Do Our Communities

Every day, Lifeworks is building pathways for inclusion, opportunity, and belonging. Donor support fuels this mission — from helping families in crisis by providing emergency funds to creating new homes, new jobs, and new creative outlets for the people we serve.

Your generosity makes it possible for Lifeworks to offer programs that aren't covered by state funding — the very programs that enrich lives and strengthen our neighborhoods.

As the world evolves, we evolve. With your continued partnership, Lifeworks will keep inspiring possibilities for years to come.

Please consider making a gift today. Together, we're building a future full of opportunity and belonging.

Your Support in Action

A Home for New Beginnings

This year, Lifeworks opened a new residence for young adults transitioning from school to adult life — supporting families through the challenges of "Turning 22." More than a house, it's a home fostering comfort, independence, and growth.

Building Connections Through Recreation

From art workshops to weekend outings, our Social and Recreation program helps people connect, explore, and grow — building friendships and discovering new passions each season.

Supporting Families in Times of Crisis

Our Empower Us fund supports many efforts including emergency funds that provide fast, essential aid to those facing sudden financial hardship — ensuring no one faces life's challenges alone.

Bringing Stories to Life

Our Theatre Arts program continues to thrive as participants build confidence, creativity, and joy on stage. These beloved performances highlight the remarkable talent and spirit of the people we serve.

Creating Opportunities Through Employment

Employment builds confidence and community. Today, 166 individuals supported by Lifeworks are thriving in local jobs — showcasing inclusion and the power of opportunity.

Evolving to Meet Today's Needs

As the world changes, so does Lifeworks. With donor support, we're innovating beyond state funding — expanding possibilities and building communities where everyone belongs.

Together, We're Expanding Whats Possible

At Lifeworks, we believe in possibilities — in helping people live, work, and thrive in the communities they call home. Thanks to your support, we're continuing to grow and adapt to meet the changing needs of the individuals and families we serve.

We've opened new doors — literally and figuratively. From creating a new residence that supports young adults transitioning into independent living, to expanding our Social and Recreation and Theatre Arts programs, your generosity is helping Lifeworks evolve in ways that make a lasting difference.

Your support ensures that we can continue to innovate, create opportunities, and provide valuable programs not funded by the state. Because when you give to Lifeworks, you're helping to strengthen entire communities — one person, one family, and one success story at a time.
